INDEX TO VOLUME LXVIII

Abboud, M. A., Gholmy, A. and Safwat, A. Aureomycin in the treatment of pertussis 233
Abdominal pain, paroxysmal. A form of epilepsy in children 557
Abt, Isaac A. Acute non-suppurative encephalitis in children 85
Abscess of the lung following acute pneumonia. Report of two cases. Holt. 501
ACTH and cortisone, rheumatic fever treated with 400
ACTH, pituitary, effect of, on rheumatic fever and rheumatic carditis 48
Acrodynia, mercury poisoning as cause of 343
Acrodynia, infantile, or pink disease 543
Adrenal, role of, in pink disease 508
Adrenocortical failure in infants, simulation of cardiac disease by..... 97
Adrenocorticotropic hormone in atopic dermatitis in infancy, some observations on the use of 201
Adrenocorticotrophic hormone (ACTH), pituitary, therapeutic effect of, in a case of Henoch-Schönlein vascular (ananphylactoid) purpura 49
Adrenocorticotrophic hormone (ACTH), the effects of, in a case of juvenile rheumatoid arthritis 455
Ainley, Allan B. Treatment of the nephrotic phase of chronic glomerulonephritis with ACTH. Report of two cases 431
Anemia, acquired hemolytic, of the newborn (erythroblastosis foetalis) due to O-B iso-immunization. Report of case. Frumin and Kohn 461
Anemia, acquired hemolytic. Report of case in an infant with discussions of several etiological factors which may have been operative. Berrey and Watson 10
Angiocardiography in children. 34
Anorexia nervosa in children. Forchheimer 35
Antigen-antibody mechanism in rheumatic diseases, a study of 453
Antistreptolysin titer as an aid in the diagnosis of rheumatic fever 97
Aorta, coarctation of. Report of case. Lynxwiler, Smith and Babich. 203
Apfel, Harry. Ritual circumcision 427
Arsenoxides to prevent transfusion syphilis 157
Arthritis, juvenile rheumatoid, Still's syndrome in. Its clinical aspects with a review of the literature on the peculiarities of this syndrome. Spodick 274
Ascorbic acid therapy in whooping cough 78
Asphyxia, neonatal, the effects of, on physical and mental development 302
Asthmatics, refractory, the treatment of. Sterling, Fishman and Sherman 373

Aureomycin and antacids 300
Aureomycin and chloramphenicol in infantile diarrhea. 553
Aureomycin in infantile diarrhea and vomiting 150
Aureomycin in the treatment of pertussis. Abboud, Gholmy and Safwat 233
Aureomycin, treatment of yaws by 472
Babich, John, Lynxwiler, C. P. and Smith, Sidney. Coarctation of the aorta. Report of case 203
Bagner, Alan B. and Levy, Harold. The effect of an antihistaminic substance (pyribenzamine) on erythema neonatorum..... 413
Banthine in pediatrics. A preliminary report on sensitivity, toxicity and dosage. Benson, Schwartzman and Reed..... 420
Behavior disturbances in epileptic children..... 401
Benson, Reuel A., Schwartzman, Joseph, Green, Marvin and Reed, Holley W. Banthine in pediatrics. A preliminary report on sensitivity, toxicity and dosage..... 420
Berrey, Bedford H. and Watson, James D. Acquired hemolytic anemia 10
Birth weight and control, relation of..... 412
Bliss, Helen E. and Gillespie, James B. Peptic ulcer in childhood. Report of six cases..... 361
Blood incompatibility, the role of, in the etiology of icterus neonatorum. Wein. 561
Bone cyst, solitary of humerus. Kliger..... 518
Book Reviews.....50, 403, 558
Brand, David, Nau, Cornelius H., Schwartzman, Joseph and Morcey, Madeline E. Clinical observations on early administration of polyvitamin solutions to newborn infants..... 417
Breast feeding, recent trends in. A review..... 453
Bronchial involvement in primary tuberculosis, importance of..... 454
Brown, Edward E. Cause of rheumatic fever—chronic sinusitis..... 565
Brown, Edward E. Infectious origin of acute leukemia..... 110
Bruton, Ogden C. and Moseley, Robert W. Hemophilia in children with a suggestion for prophylactic control..... 526
Cardiac disease, simulation of, by adrenocortical failure in infants..... 97
Carcinoma, bronchiogenic, in a twelve-year-old boy..... 509
Cardiovascular manifestations in acute poliomyelitis..... 300
Carroll, Catherine; Fetick, Paul G. and Lynxwiler, C. P. Bacillary dysentery. Report of case..... 589
Cat scratches, disease due to..... 406
Celiac disease and folic acid..... 178
Celiac disease treated with polyoxyethylene sorbitan monooleate..... 402
Chloramephenicol in children with typhoid..... 244
Chloramphenicol in treatment of typhoid or para-typhoid..... 460
Chloramphenicol, intravenous, evaluation of..... 351
Cinchonimic acid derivative, trial of..... 458
Circumcision, ritual. Apfel..... 427
Cirrhosis, melanoderma, of the liver and diabetes mellitus..... 333
Cleft palate management, changing philosophies in..... 46
Coarctation of the aorta. Report of Case. Lynxwiler, Smith and Babich 203

Coccidioides immitis, four new fungicides for. 1. Sodium caprylate. 2. Ethyl vanillate. 3. Fradicin. 4. Thiolutin. Cohen 259
Coccidioides, placental. Cohen 59
Coccidioidomycosis in children 354
Cohen, Robert and Persky, Marshall. Sodium caprylate treatment for thrush 33
Cohen, Robert. Four new fungicides for coccidioides immitis. 1. Sodium caprylate. 2. Ethyl vanillate. 3. Fradicin. 4, Thiolutin 259
Cohen, Robert. Placental coccidioides 59
Constriction of trachea and esophagus by double aortic arch 178
Cortisone acetate therapy, local, in congenital syphilitic interstitial keratitis 454
Cortisone and ACTH, rheumatic fever treated with 400
Cortisone in allergic purpura of children 554
Cortisone, marked lipemia resulting from, the administration of 352
Cortisone, successful treatment of Waterhouse-Friderichsen syndrome, with 557
Cortisone, the effects of, on the course of acute glomerulonephritis 197
Coxsackie virus. A review of the literature and an analysis of 182 consecutive cases of poliomyelitis admitted in the past year to the isolation unit of the J. J. McCook Memorial Hospital, Hartford, Conn. Kingston 67
Craniotabes 584
Cretins, rapid transformation of, with large doses of thyroid 98
Cushing, H. W. and Rotch, Thomas Morgan. Decapsulation of both kidneys (Edebohls' operation) in a boy nine and one-half years old. Report of case 595
Deafness and erythroblastosis fetalis 387
Delinquency, juvenile 47
Dental caries, studies on mass control of, through fluoridation of the public water system 99
Dermatoses of the newborn infant, local therapy in. Heimer, Grayzel and Kramer 382
Diabetes mellitus, heredity of 487
Diabetes mellitus, melanoderma cirrhosis of the liver and 333
Diabetic coma, unusual, in a child with recovery, with special reference to insulin resistance and hypopotassemia 197
Diarrhea and vomiting, infantile, aureomycin in 150
Diarrhea, epidemic, of the newborn. Hallock 488
Diarrhea, infantile, aureomycin and chloramphenicol in 553
Disease, communicable, control of, and its limitations. Geiger 511
Dukes, Richard E. and Sargent, Frederick K. Spontaneous intracranial hemorrhage in children 251
Dysentery, bacillary. Report of case. Carroll, Fetick and Lynxwiler ... 589
Dyslexia, simulated, a case of. Park 158
Ebel, Eugene H. and Lynxwiler, C. P. Complete transposition of the great vessels with patent ductus arteriosus and patent foramen ovale 51
Edema, chronic, as sole clinical feature of hepatic disease 387
Electrocardiogram in congenital heart disease 46

Encephalitis, acute non-suppurative, in children. Abt 85
Endocarditis, septic. Rachford 344
Epileptic children, behavior disturbances in 401
Erythema neonatorum, the effect of an antihistaminic substance (pyribenzamine) on. Levy and Bagner 413
Erythroblastosis fetalis and deafness 387
Ferrous sulphate toxicity—report of fatal case 199
Fetick, Paul G.; Lynxwiler, C. P. and Carroll, Catherine. Bacillary dysentery. Report of case 589
Fibroplasia, retrolental 200
Fibroplasia, retrolental. Samilson 79
Fibrous bands, cicatrizing, congenital. Plotkin 120
Fishman, Aaron, Sherman, Victor and Sterling, Alexander. The treatment of refractory asthmatics 373
Fistula, tracheoesophageal, unassociated with artesia or stenosis: difficulties in diagnosis and suggestions for greater accuracy 200
Folic acid and celiac disease 178
Forchheimer, F. Anorexia nervosa in children 35
Fox, Irving and Lapin, Joseph. Asymmetry of the gluteal and inguinal folds as a diagnostic aid in pediatrics 208
Frumin, Abraham M. and Kohn, Albert. Acquired hemolytic anemia of the newborn (erythroblastosis foetalis) due to O-B immunization. Report of case 461
Gangrene after scarlet fever 290
Gaskins, Albert L., Murphy, James W., Neustein, Charles, Hoffman, A. C. and Winters, Harold V. Acute iron poisoning. Report of a case and review of the literature 303
Gastroenteritis, acute toxic, treated with constant intravenous drip infusion 440
Geiger, J. C. Control of communicable disease and its limitations 511
Gholmy, A., Safwat, A. and Abboud, M. A. Aureomycin in the treatment of pertussis 233
Gillespie, James B. and Bliss, Helen E. Peptic ulcer in childhood. Report of six cases 361
Glomerulonephritis, acute, the effects of cortisone on the course of 197
Glomerulonephritis, chronic, treatment of the nephrotic phase of, with ACTH. Report of two cases. Ainley 431
Gluteal and inguinal folds, asymmetry of, as a diagnostic aid in pediatrics. Lapin and Fox 208
Goldstein, Louis S. Cold weather as a factor in the epidemiology of grippe and the common cold 577
Grayzel, Harold G., Kramer, Benjamin and Heimer, Caryl B. Local therapy in dermatoses of the newborn infant 382
Green, Marvin, Reed, Holley W., Benson, Reuel A. and Schwartzman, Joseph. Banthine in pediatrics. A preliminary report on sensitivity, toxicity and dosage 420
Grippe and the common cold, cold weather as a factor in the epidemiology of. Goldstein 577
Grotts, Bruce F. Sclerema neonatorum 585

Hallock, J. Douglas. Epidemic diarrhea of the newborn 488
Harkavy, Myron B. Neuroblastoma. Report of case 473
Haumeder, Robert R. Poliomyelitis in a pair of identical twins 357
Heart disease, congenital, electrocardiogram in 46
Heimer, Caryl B., Grazel, Harold G. and Kramer, Benjamin. Local therapy in dermatoses of the newborn infant 382
Hemophilia. Serra 165
Hemophilia in children with a suggestion for prophylactic control. Moseley and Bruton 526
Hemorrhage, spontaneous intracranial, in children. Report of two cases with recovery. Dukes and Sargent 251
Hepatic disease, chronic edema as sole clinical feature of 387
Hepatitis, homologous serum, and measles prophylaxis 553
Hirschsprung's disease 525
Hirschsprung's disease, abdominal sigmoid-rectum resection in 100
Histoplasmosis, subclinical, of children 198
Hodgkin's disease, treatment of, and leukemia 457
Hoffman, A. C., Winters, Harold V., Gaskins, Albert L. Murphy, James W. and Neustein, Charles. Acute iron poisoning. Report of a case and review of the literature 303
Holt, L. Emmett. Abscess of the lung following acute pneumonia. Report of two cases 501
Hemochromatosis, familial 99
Howland, John. The symptoms of status lymphaticus in infants and young children 126
Hoyne, Archibald L. Modern concepts of immunization 101
Huber, Francis. Intussusception. Report of two cases in a boy six years and a girl nine years of age 544
Humerus, solitary bone cyst of. Kliger 518
Hyperostoses, infantile cortical. Report of case and summarization and evaluation of all other reported cases. Rapoport 238
Hypertrichosis during streptomycin therapy 49
Hypertrichosis in childhood 356
Icterus neonatorum, the role of blood incompatibility in the etiology of. Wein 561
Immunization, modern concepts of. Hoyne 101
Incontinence, urinary, in children. Powell 151
Intestinal obstruction in the newborn and the infant 400
Intussusception due to Meckel's diverticulum 157
Intussusception. Report of two cases in a boy six years and a girl nine years of age. Huber 544
Iodine in the treatment of poliomyelitis and other paralytic diseases. Scobey 309
Iron poisoning, acute. Report of a case and review of the literature. Murphy, Neustein, Hoffman, Winters and Gaskins 303
Jacobi, A. Peribronchitis and interstitial pneumonia 283
Jacobi, A. The history of pediatrics and its relation to other sciences and arts 134, 179
Jaundice, physiological, of the newborn, studies on 553

Keratitis, congenital syphilitic interstitial, local cortisone acetate therapy in..... 454
Kidneys, decapsulation of both (Edebohls' operation), in a boy nine and one-half years old. Report of case. Rotch and Cushing..... 595
Kingston, Paul J. The Cocksackie virus. A review of the literature and an analysis of 182 consecutive cases of poliomyelitis admitted in the past year to the isolation unit of the J. J. McCook Memorial Hospital, Hartford, Conn..... 67
Kliger, Max. Solitary bone cyst of humerus..... 518
Kohn, Albert and Frumin, Abraham M. Acquired hemolytic anemia of newborn (erythroblastosis foetalis) due to O-B immunization. Report of case..... 461
Koplik, Henry. Occurrence and mortality of typhoid fever in infants and children..... 441
Kramer, Benjamin, Heimer, Caryl B. and Grayzel, Harold G. Local therapy in dermatoses of the newborn infant..... 382
Lapin, Joseph H. and Fox, Irving. Asymmetry of the gluteal and inguinal folds as a diagnostic aid in pediatrics..... 208
Lead poisoning in children. Report of five cases with special reference to pica..... 353
Lehndorff, H. Bartholomaeus Metlinger. A fifteenth century pediatrician 322
Leukemia, acute, infectious origin of. Brown..... 110
Leukemia, treatment of, and Hodgkin's disease..... 457
Leukotomy, prefrontal, in minors..... 500
Levy, Harold and Bagner, Alan B. The effect of an antithistaminic substance(pyribenzamine) on erythema neonatorum..... 413
Lipemia, marked, resulting from the administration of cortisone..... 352
Löeffler's syndrome. Scheer..... 407
Longworth, Thomas I. Congenital megacolon. Report of case..... 467
Lynxwiler, C. P. and Ebel, Eugene H. Complete transposition of the great vessels with patent ductus arteriosus and patent foramen ovale. 51
Lynxwiler, C. P., Carroll, Catherine and Fetick, Paul G. Bacillary dysentery. Report of case..... 589
Lynxwiler, C. P., Smith, Sidney and Babich, John. Coarctation of the aorta. Report of case..... 203
Maladjusted child, the. Podolsky..... 28
McCormick, W. J. Vitamin C in the prophylaxis and therapy of infectious diseases..... 1
Measles, maternal, influence of, on unborn child..... 109
Measles prophylaxis and homologous serum hepatitis..... 553
Megacolon, congenital. Report of case. Longworth..... 467
Megacolon, idiopathic, in children, treatment of..... 550
Meningitis, pneumococcic, in infants and children. Combined therapy using penicillin and sulfonamide..... 551
Meningitis, tuberculous, after immunization against typhoid..... 207
Meningitis, tuberculous, cured by streptomycin..... 508
Meningitis, tuberculous, streptomycin in..... 598
Meningitis, tuberculous, treatment of. A summary of three years' experience at Florence..... 301

Meningitis, virus, epidemic 517
Mercury poisoning as cause of acrodynia 343
Methemoglobinemia, familial idiopathic 576
Metlinger, Bartholomaeus. A fifteenth century pediatrician. Lehndorff .. 322
Microcolon in the newborn, fallacy in the diagnosis of 201
Mononucleosis, infectious 459
Morcy, Madeline E., Brand, David, Nau, Cornelius H. and Schwartzman, Joseph. Clinical observations on early administration of polyvitamin solutions to newborn infants 417
Moseley, Robert W. and Bruton, Ogden C. Hemophilia in children with a suggestion for prophylactic control 526
Mumps, epidemic 100
Murphy, James W., Neustein, Charles, Hoffman, A. C., Winters, Harold V. and Gaskins, Albert L. Acute iron poisoning. Report of a case and review of the literature 303
Myasthenia gravis in a mother and her newborn son 552
Nau, Cornelius H., Schwartzman, Joseph, Morcey, Madeline E. and Brand, David. Clinical observations on early administration of polyvitamin solutions to newborn infants 417
Nervous exhaustion in infants. Northrup 447
Neuroblastoma. Report of case. Harkavy 473
Neustein, Charles, Hoffman, A. C., Winters, Harold V., Gaskins, Albert L. and Murphy, James W. Acute iron poisoning. Report of a case and review of the literature 303
Northrup, W. P. General gonococcal peritonitis in young girls under puberty. Report of two cases, one simulating appendicitis, operated .. 388
Northrup, W. P. Nervous exhaustion in infants 447
Northrup, W. P. The twenty-three hour treatment 245
O-B immunization, acquired hemolytic anemia of the newborn (erythroblastosis foetalis) due to. Report of case. Frumin and Kohn 461
Obstetrics—medicine as a science 353
Ophthalmia neonatorum, penicillin in the prophylaxis of 352
Palsy, cerebral, in children, a survey of 400 cases 351
Para-aminobenzoic acid therapy, myocardial, hepatic and renal damage resulting from. Observation in human cases and experimental animals 300
Park, George E. A case of simulated dyslexia 158
Park, George E. This, they would choose to do. A challenge and a plea 533
Pediatrician views the trends in child psychiatry. Smith 477
Pediatrics, the history of, and its relation to other sciences and arts. Jacobi 134, 179
Pediatrics—the undergraduate teaching of 355
Penicillin in congenital syphilis 219
Penicillin in scarlet fever 78
Penicillin in the prophylaxis of ophthalmia neonatorum 352
Penicillin, oral, in children 356
Penicillin, rapid effect of, on treponema pallidum 426
Penicillin sodium and procaine penicillin in scarlet fever 84

Peritonitis, general gonococcal, in young girls under puberty. Report of two cases, one simulating appendicitis, operated. Northrup..... 388
Persky, Marshall and Cohen, Robert. Sodium caprylate treatment for thrush..... 33
Pertussis, aureomycin in the treatment of. Abboud, Gholmy and Safwat.. 233
Pink disease in older children..... 592
Pink disease or infantile acrodynia..... 543
Pink disease, role of adrenal in..... 508
Pituitary adrenocorticotropic hormone in severely burned children..... 352
Plotkin, David. Congenital cicatrizing fibrous bands..... 120
Pneumonia, acute, abscess of the lung following. Report of two cases. Holt 501
Pneumonia, interstitial, and peribronchitis. Jacobi..... 283
Podolsky, Edward. The maladjusted child..... 28
Podophyllum resin in treatment of tinea capitis..... 552
Poliomyelitis, acute, cardiovascular manifestations in..... 300
Poliomyelitis, acute, with respiratory insufficiency, an evaluation of the Cuirass respirator in..... 456
Poliomyelitis, bulbar, potassium deficiency in..... 509
Poliomyelitis in a pair of identical twins. Haumeder..... 357
Poliomyelitis in Islington in 1947, 1949 and 1950..... 551
Poliomyelitis infection, paralytic consequences of, in different parts of the world and in different population groups..... 555
Poliomyelitis, iodine in the treatment of, and other paralytic diseases. Scobey..... 309
Poliomyelitis mystery, is the public health law responsible for? Scobey.. 220
Polyvitamin solutions, clinical observation on early administration of, to newborn infants. Schwartzman, Morcy, Brand and Nau..... 417
Polyoxyethylene sorbitan monooleate, celiac disease treated with..... 402
Powell, Norborne B. Urinary incontinence in children..... 151
Pregnancy, first trimester of, illness in the. Its lack of significance in relation to congenital anomaly of the offspring and to full-term pregnancy, prematurity and stillbirth..... 455
Pseudo-orchitis in children..... 588
Psychiatry, child, pediatrician views the trends in. Smith..... 477
Purpura, allergic, of children, cortisone in..... 554
Rachford, B. K. Septic endocarditis..... 344
Radiation therapy in pediatrics, the role of. Reitman..... 265
Rapoport, Leonard M. Infantile cortical hyperostoses. Report of case and summarization and evaluation of all other reported cases..... 238
Reed, Holley, W., Benson, Reuel A., Schwartzman, Joseph, and Green, Marvin. Banthine in pediatrics. A preliminary report on sensitivity, toxicity and dosage..... 420
Reitman, Paul H. The role of radiation therapy in pediatrics..... 265
Respiratory obstruction due to thymus..... 446
Rheumatic diseases, a study of antigen-antibody mechanism in..... 453
Rheumatic fever and rheumatic carditis, effect of pituitary ACTH on.. 48
Rheumatic fever, antistreptolysin titer as an aid in the diagnosis of..... 97
Rheumatic fever, cause of—chronic sinusitis. Brown..... 565

Rheumatic fever, meningeal reaction in 125
Rheumatic fever treated with cortisone and ACTH 400
Rheumatic fever, treatment of 458
Rheumatoid arthritis, juvenile, the effects of adrenocorticotrophic hormone. (ACTH) 455
Rotch, Thomas Morgan, and Cushing, H. W. Decapsulation of both kidneys (Edebohls' operation) in a boy nine and one-half years old. Report of case 595
Safwat, A. Abboud, M. A. and Gholmy, A. Aureomycin in the treatment of pertussis 233
Salivary glands, suppuration of the, in the newborn 202
Samilson, Robert L. Retrolental fibroplasia 79
Sargent, Frederick K. and Dukes, Richard E. Spontaneous intracranial hemorrhage in children 251
Scarlet fever, gangrene after 299
Scarlet fever, penicillin in 78
Scarlet fever, penicillin sodium and procaine penicillin in 84
Scheer, Edward H. Löeffler's syndrome 407
Schwartzman, Joseph, Green, Marvin, Reed, Holley W. and Benson, Reuel A. Banthine in pediatrics. A preliminary report on sensitivity, toxicity and dosage 420
Schwartzman, Joseph, Morey, Madeline E., Brand, David and Nau, Cornelius H. Clinical observations on early administration of polyvitamin solutions to newborn infants 417
Sclerema neonatorum. Report of case. Grotts 585
Scobey, Ralph R. Iodine in the treatment of poliomyelitis and other paralytic diseases 309
Scobey, Ralph R. Is the public health law responsible for the poliomyelitis mystery? 220
Serra, Catherine G. Hemophilia 165
Sex factor, a study on the importance of, in early development 510
